Applications: Ajax, Bootstrap, Materialize, Firebase

PROJECTS

FOMO-NOMO | <https://github.com/beccashieh/FOMO-app> | <http://fomonomo.site/>

- Web app that allows users to find trending topics in news, music, movies/TV, and memes in one convenient location. Also allows users to customize the pages to their interests.
- Designed UI for app by coming up with consistent design to implement across all pages and cross-check for inconsistencies. Created all aspects of the code page using the Meme Generator API.
- Languages used: HTML, CSS, Javascript, jQuery, Axios
- Technologies used: Firebase/Firestore, APIs, Materialize, Modals

EXPERIENCE

Quality Assurance

MiLend, Inc.

2018 – 2019

Alpharetta, GA

Reviewed files for errors and inconsistency so loans followed state and federal lending guidelines for their unique program. Utilize multiple systems to accomplish tasks and time management (Encompass, Outlook calendars, Excel, GoogleDocs). Practiced effective communication skills across multiple departments to ensure efficient processing of files. Utilized critical thinking in determining if files met lending standards and were able to be sold after closing.

Production Manager

MiLend, Inc.

2016 – 2018

Alpharetta, GA

Managed and mentored a small team of loan officers on sales and communication techniques with borrowers to find out their needs and match them with an appropriate mortgage product to meet those needs. Maintained personal sales pipeline of loans and contact. Utilized multiple programs for time management and sales (Encompass, Compass PPE, Insellerate, Excel, Outlook, GoogleDocs).

Awards and Recognition: *President's Club 2017*

Area Sales Manager

Mattress Firm

2013-2016

Atlanta, GA

Managed and mentored a sales team on sales and communication techniques to meet and exceed sales goals. Maintained a multi-million dollar area of stores to ensure year after year growth in units and revenue volume. Led and participated in monthly sales trainings as well as quarterly leadership development trainings.

EDUCATION

Full Stack Web Developer Bootcamp Certificate: Georgia Institute of Technology, Atlanta, GA

Bachelor's of Psychology: University of Georgia, Athens, GA
